In the 21st century, the style trends of the fashion industry dominate the world more than they ever did - and control not only the way people dress but also trends in home ware design, makeup, fashion and people's overall attitudes. In the 19th century, power did not only mean class and titles - it summed up the whole attitude of a generation - and this is even more prominent today.

In the 21st century, the style trends of the fashion industry dominate the world more than ever. They control not only the way people dress but also trends in home wear, design, makeup, fashion and people's overall attitudes. In the 60s, flower power did not only mean flares and tunics - it summed up the whole attitude of a generation - and this is even more prominent today.
