You see me, I wanted to be  
fashion designer.  
I became fashion designer.  
everything is possible.

Fashion is a language  
that creates itself in clothes  
to interpret  
REALITY

Even if you fall on the runway,  
I wouldn't blame you.  
It would mean I took  
all the risk in choosing you.

Fashion has always been  
an appetizer of ideas, but  
what makes  
you put it together.
