Indian sari remains the traditional clothing of Indian women. Worn in varied styles, it is a long piece of flat cotton, silk or other fabric woven in different textures with different patterns. The sari has a lasting charm since it is not cut or tailored for a particular size. This graceful feminine attire can also be worn in several ways and its manner of wearing as well as its colour and texture are indicative of the status, age, occupation, region and religion of a woman. A glance of her brings joy to the parched heart. A few priceless moments with her brings utter bliss. There are no limits to the countless she brings as she walks down the road, resplendent in her magical attire. She is a beauty without parallel, and her beauty intensifies without boundaries. She is Indian in looks, in spirit, at heart...even in dress. But her beauty is as big a rage abroad as it is at home. In the roads of London, in the waters of Venice, in the sands of the Middle East, in the bylanes of Paris...her name is remembered with fondness and with glee.
