ethnic sense

In the 21st century the style trends of the fashion industries dominate the world more than they ever did and control not only the way people dress but also trends in home wear design, makeup, food, art and people's overall attitudes. In the 19th century people did not only wear clothes and jewelry, it represented the whole attitude of a generation, and this is even more prominent today.

ethnic sense

In the 21st century, the style trends of the fashion industry dominate the world more than they ever did, and control not only the way people dress but also trends in home wear, design, makeup, food, and people's overall attitudes. In the 60s, however, people did not only dress, dance, and smile; they summed up the whole attitude of a generation, and this is even more prevalent today.
