When design meets innovation, it creates wonder

A photograph of a woman standing outdoors in a lush green garden. She is wearing a bright yellow, long-sleeved, button-down tunic with a subtle texture. The hem of the tunic features a vibrant red and orange floral embroidery. She is also wearing matching yellow trousers with the same floral pattern at the hems. She is wearing light-colored sandals and a small yellow bracelet. Her dark hair is styled in loose waves. In the background, there is a blue wrought-iron garden bench and various tropical plants and trees. The overall aesthetic is elegant and summery.

The printed jacquard jacket embellished with subtle bling makes this attire stand out. The inner kurta also been embellished with heavy embroidery on the sleeves. The beauty of this style is to be worn with or without the jacket.
