In the heart of the great things that go with it, for the sake of the future, remember that this is not just a piece of fabric, but a piece of art that is meant to last. It is because of this that we have been so successful in our work. We are not just a brand, we are a tradition. We are a tradition that is meant to last.  CREATION

Kuchipudi is a classical Indian dance-drama form, originating from the village of Kuchipudi in the state of Andhra Pradesh. It is characterized by its unique style of dance, which combines elements of Bharata Natyam and Odissi. The dancers, known as Kuchipudis, are trained from a young age and perform in traditional attire. The dance is known for its intricate footwork and expressive movements.

From the way we dress, there is a reflection of the culture of the country. A woman's attire is not just a piece of fabric, it is a statement. It is because these traditional sarees have a deep meaning and are a part of our heritage. It is a tradition which has been passed on from generation to generation. Digital prints have now made it possible to create such sarees in a modern way, which has created a new style for many women.
