FOREVER FASHION

"Fashion is what you're offered four times a year by designers. And style is what you choose."

Shapes of you

'A little bad taste is like a nice splash of paprika. We all need a splash of bad taste—it's hearty, it's healthy, it's physical. I think we could use more of it. No basic is what I'm aquainted.'

UNIQUE COLLECTION

"Don't be into trends. Don't make fashion own you, but you decide what you are, what you want to express by the way you dress and the way to live."

A full-body photograph of a woman standing outdoors. She is wearing a knee-length, long-sleeved pink dress with a subtle texture and a floral embroidery on the chest. She is also wearing large, colorful floral earrings and gold sandals. Her hands are clasped in front of her waist. The background shows a blurred outdoor setting with a staircase and some greenery.

TRENDS ON TIME

"Fashion is part of the daily air and it changes all the time, with all the events. You can even see the appearance of a revolution in clothes. You can see and feel everything in clothes."
