You can have anything you want in life if you dress for it.

Fashion is what you're
offered four times a year by
designers. And style is what
you choose.

Levisha®

I think there is
beauty in everything.
What 'normal' people
perceive as ugly, I can
usually see
something of beauty in it.

Levisha®

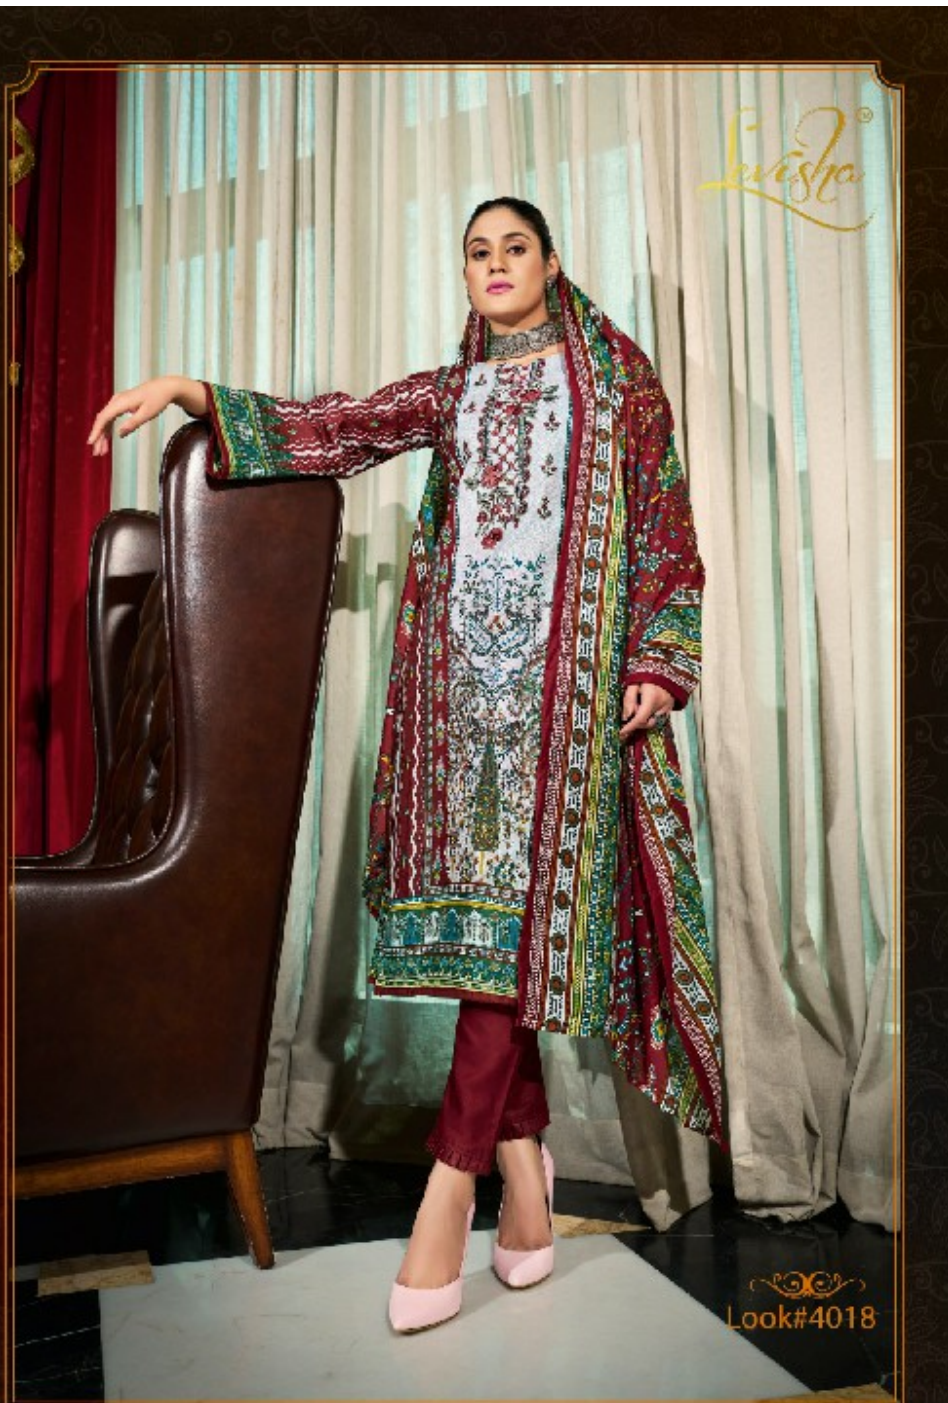

The dress must follow the body of a woman, not the body following the shape of the dress.

The logo for the brand 'Levisha' is written in a stylized, cursive script. The letters are gold in color and feature a registered trademark symbol (®) at the end. The logo is positioned in the lower-left quadrant of the left panel, which has a dark brown background with a subtle, repeating floral pattern. Above the logo is a vertical decorative element consisting of a series of gold-colored, stylized floral and scroll motifs.

Fashion is very important. It is life-enhancing
and, like everything that gives pleasure, it is
worth doing well.
