"Don't be into trends. Don't make fashion own you, but you  
decide what you are, what you want to express by the way  
you dress and the way to live."

# THE FABULOUE LOOK

"Fashion is a religion in our time. Once upon a time, we knew we would not die, we were  
sure of it. I want to produce things that people really want to buy."

"Fashion is not just about what you wear, it's about how you feel. It's about the way you look at the world and the way the world looks at you."

# STYLE RETHINK THE LADY LIKE

"The trend is right (and vice versa). Careless styling, on the hand, was avoided and the success was a case of fashion. I want to produce things that people already want to buy."
