PRINTS

**JASLEEN** VOL-3  
WITH FANCY SWAROVSKI WORK

## FESTIVE ANECDOTES

Being graceful is an art for a woman, she must busy her mind with the art of her dress. Keeping the art of the dress between the knees and the neck is the two-line art. She must be the artist of the dress. She must know how to wear it in the occasion of the party. She must be with the party making the atmosphere of the party lively.
