Nargis

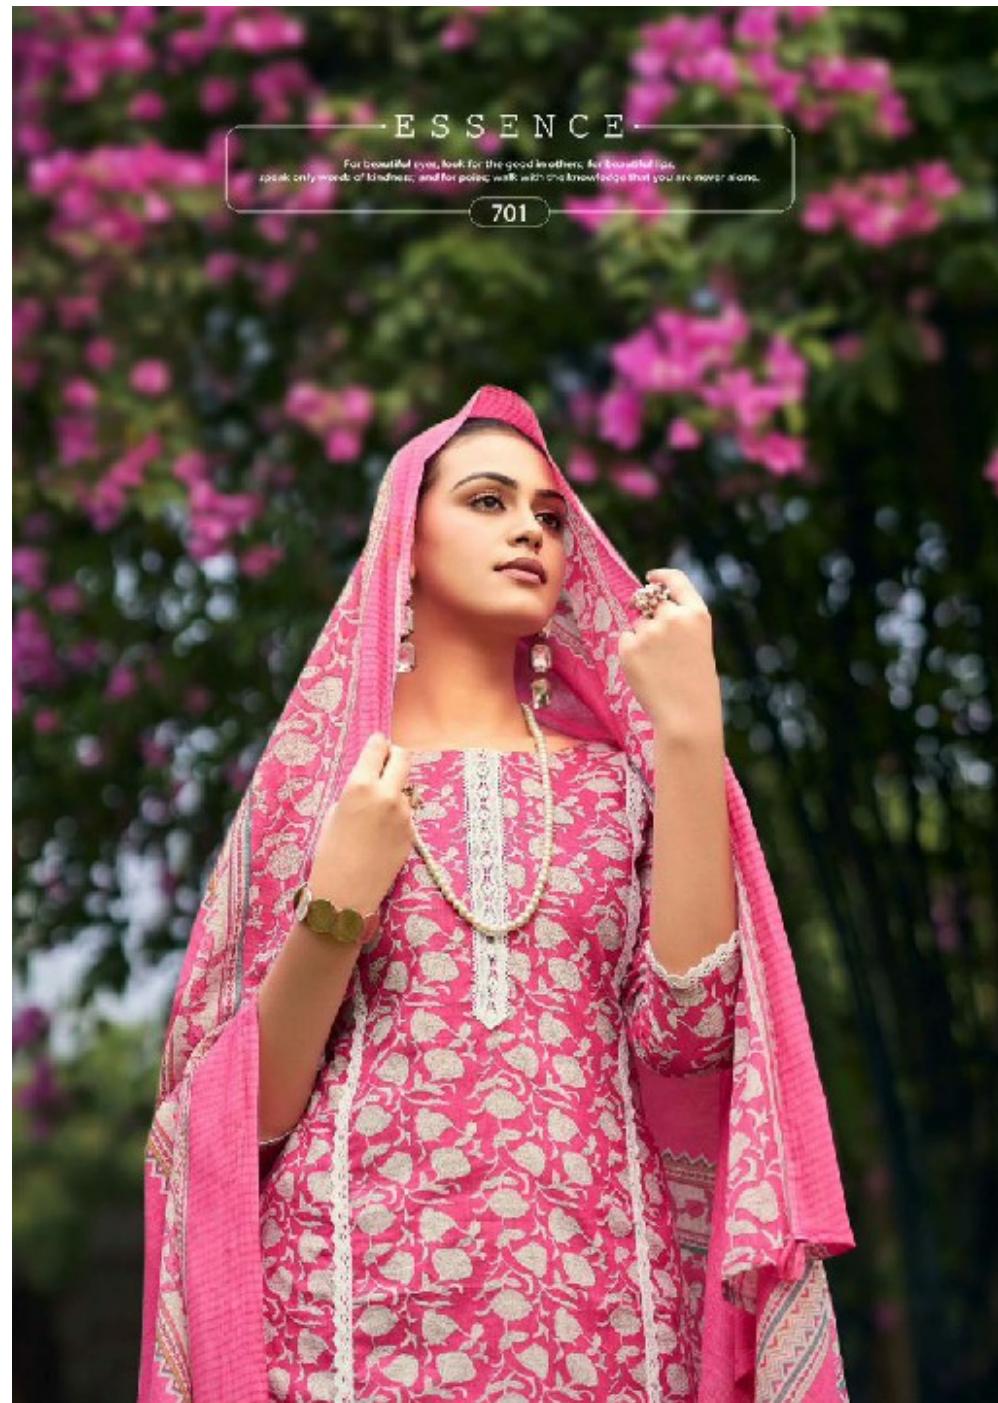

Through the historical years even after their own and never given up on fashion, the trend from around the world influenced the Indian industry and expanded easily on the basis of fusion and mix and match style, India's demand has adapted the same by maintaining their own identity and making style on its own terms.

Agreeing to this are numerous Indian women who prefer wearing traditional dresses like Salwar Kameez on special occasions like festivals, marriages or an kind of ceremony.

ESSENCE

For beautiful eyes, look for the good in others; for beautiful lips, speak only words of kindness; and for peace, walk with the knowledge that you are never alone.

→BE YOU←

Don't be into trends. Don't make fashion own you, but you decide what you are,
what you want to express by the way you dress and the way you live.

702

STANCE

Fashion you can buy, but style you possess. The key to style is learning who you are, which takes years. There's no how-to-read map to style. It's about an appreciation and, above all, attitude.
