"Who you wear it how you present yourself in the world, especially under your hair and on
your arms, speaks. Fashion is human language."

"What you wear is how you present yourself to the world, especially to the women who
come across you. Pick it to mean a language."

"What we wear is very
important to the world, and
it's not just about fashion,
it's about the way we
live."

"Fashion you can love but not
you, choose the best quality
clothing, when you are with
your family. There is no harm
and no regret. It is about
quality and style, it is
not."
