02

*Don't fix them, and open with a world of wonders.
If world don't everything you see is perfect, perfect, then beauty still rises supreme.*

DB

*Don't let down, and open up to a world of wonders
A world where everything you see is perfect, where beauty still plays supreme.*

05

Don't let stress and worry take a hold of you.
If you're not smiling, you're not perfect. You're lovely. All eyes on you.
