Elegance is not
standing out

but being remembered

I don't do
fashion. I
am fashion

Fashion is about
dressing according to
what's fashionable.
Style is more about
being yourself.

D.No:3606

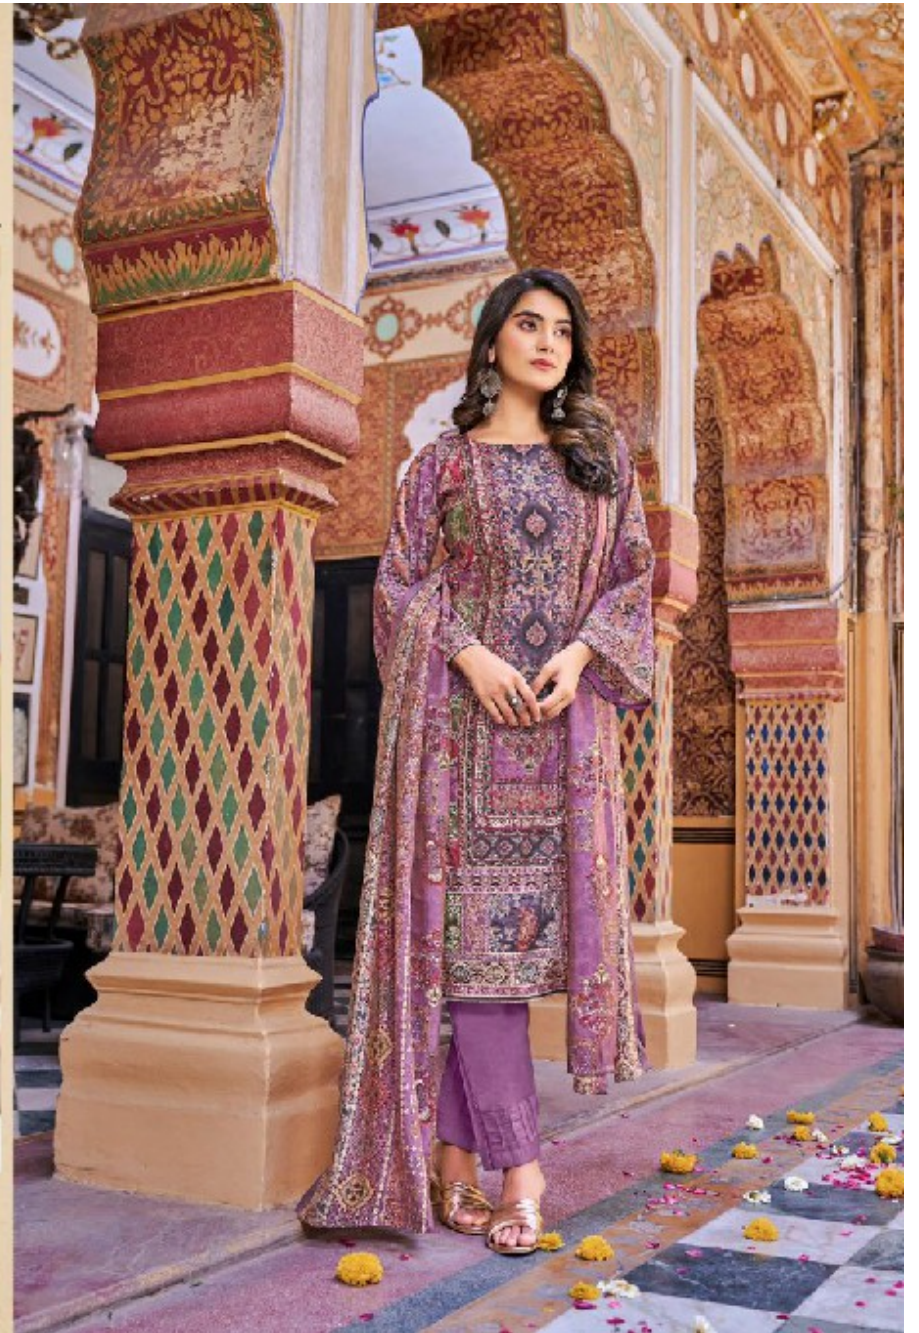

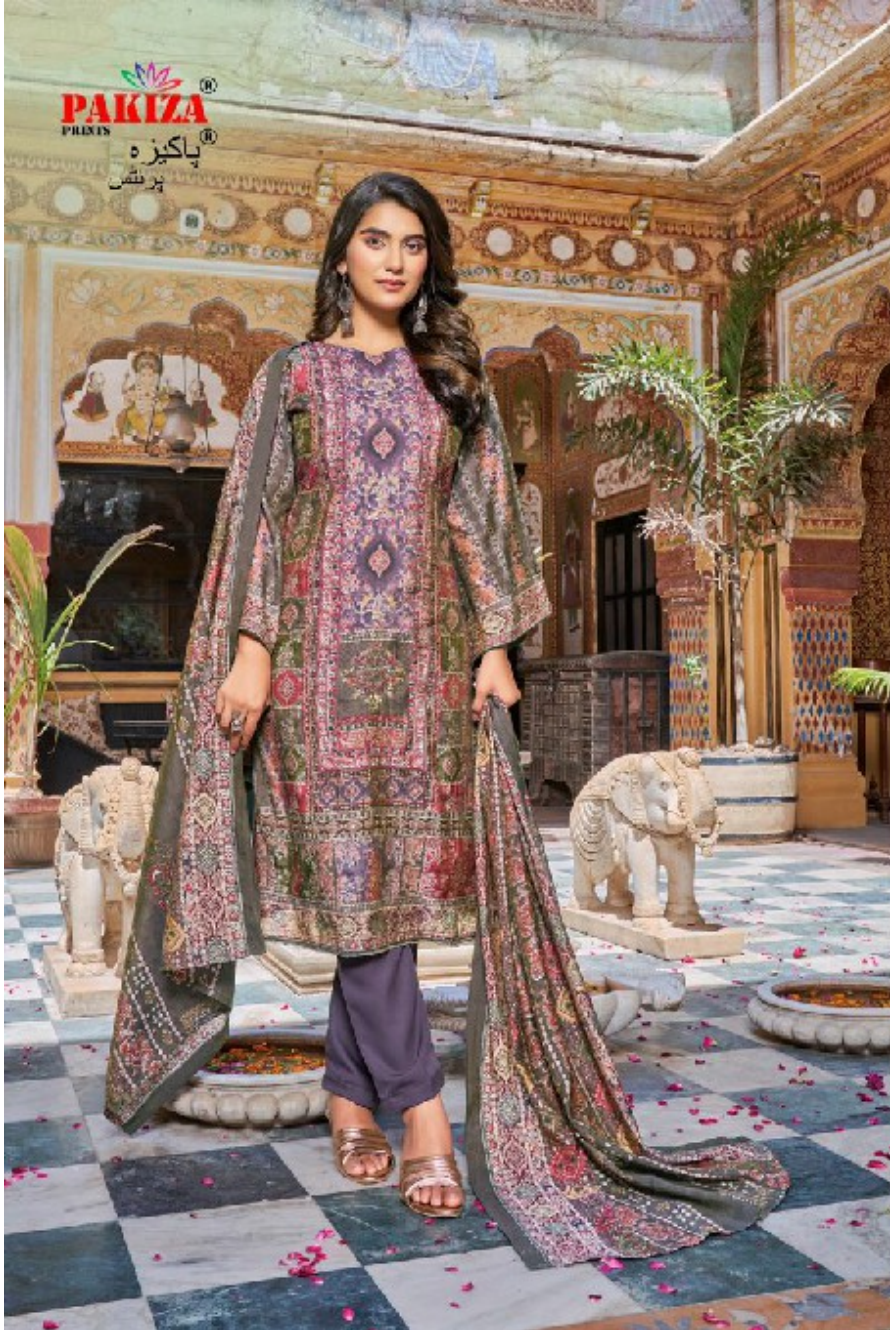

**Elegance is
good taste**

The way I dress
depends on how I
feel. I never have
to psych myself
up. Usually it
just feels like it
works.

D.No:3604

Style is something

each of us already has, all we need to do is find it.

The joy of
dressing is
an art

If you love
something

wear it all the
time... Find things
that suit you.
That's how you look
