

RAJATH™
"The Secret of Style"

PRANALIKA

Think
BEAUTIFUL

*The way of life is the reflection of our inner world and
there is no design collection more around the life of design*

CHOICE

The new world of fabric in the language of subtle sensibilities and
elegance in design and texture, comes from the life of design.

TEXTURE

*The one essential factor is the softness of texture combined with
efforts to deliver solutions, every parcel in its own right.*
