

*A saree is not a long piece of multi-colored cloth as draped by Indian women - it gradually begins under
nature and discussion the real beauty of Indian culture as a whole.*

D.no-1001

*The very human garment is worn with a joyful and glorious bliss in the
temples of India, surrounded by the lush, green in places of the
Western religion in the East*

D.no-1007

The blouse offer a right to work. With every traditional saree, you offer to wear less revealing blouses. The saree blouse is in the same style as the saree. They are also in saree style, and could be built in or draped out at the back or even have a button-type design.
