You can never take too much care over the choice of your shoes. Too many women think that they are unimportant, but the real proof of an elegant woman is what is on her feet. The customer is the final judge. What survives the whole process is what people wear. I'm not interested in making clothes that end up in some dusty cupboard.

the modern Im-  
provement in cos-  
metics claim to make  
the old legs and  
fringes look tolerably  
young and smart.  
Why then should one  
lag behind and  
submit to the ravag-  
es of time and age?  
This fashion sense  
has banished sobri-  
ety.

Fashion is thing which becomes common in the society. It is an age of fashion. The fascination of fashion is very strong in our cities. New generation runs after fashion. The old and the young know well the importance of fashion. Every body wants to be smart and up to date. Women follow fashion blindly.

Besides clothing, or  
naming accessories,  
and make up, it  
also includes our  
mannerism and be-  
havior. The way we  
talk, the words that  
we use while talking,  
the voice tone, the  
clothing, the way we  
wear the clothes, etc.  
are all aspects of  
fashion.
