It's everything that's not at the end of the road. It's the way you look at it. It's the way you feel it. It's the way you live it. It's the way you love it. It's the way you breathe it. It's the way you dream it. It's the way you hope it. It's the way you believe it. It's the way you know it. It's the way you see it. It's the way you touch it. It's the way you taste it. It's the way you smell it. It's the way you hear it. It's the way you feel it. It's the way you think it. It's the way you act it. It's the way you react it. It's the way you respond it. It's the way you interact it. It's the way you connect it. It's the way you relate it. It's the way you associate it. It's the way you compare it. It's the way you contrast it. It's the way you distinguish it. It's the way you identify it. It's the way you classify it. It's the way you categorize it. It's the way you group it. It's the way you organize it. It's the way you structure it. It's the way you systematize it. It's the way you methodize it. It's the way you formalize it. It's the way you institutionalize it. It's the way you rationalize it. It's the way you legitimize it. It's the way you validate it. It's the way you substantiate it. It's the way you corroborate it. It's the way you confirm it. It's the way you verify it. It's the way you certify it. It's the way you authenticate it. It's the way you endorse it. It's the way you recommend it. It's the way you approve it. It's the way you authorize it. It's the way you sanction it. It's the way you ratify it. It's the way you acquiesce to it. It's the way you assent to it. It's the way you concur with it. It's the way you agree with it. It's the way you consent to it. It's the way you acquiesce to it. It's the way you assent to it. It's the way you concur with it. It's the way you agree with it. It's the way you consent to it.
