Don't be the trends.
Create fashion on your
own. Be the one who
sets the pace when you
want to stand out by the
way you dress and the
way you live.

ANYTHINGS AT ALL

"Fashion is very important to her, she's a designer and she's a girl who's got
great pleasure in it, it's worth doing well."

KEEP IT SIMPLE

"Don't be too busy that you lose your way, but you
decide what you do, what you want to do by the way
you choose the way to live."

LUXURY

"I think credit goes to the designer. What 'normal' people
prefer to buy, it was really one something of luxury."

IN THE MIX MAGIC

"Fashion is part of the daily life. It is always at the time with all the events. You can never see the approaching of a woman in clothes, you can see and feel everything in clothes."

IN THE MIX MAGIC

"I think it's not a beauty in itself, it's a gift for all people
because as you love, you really see something in beauty in it."

FASHION DESIRED

"I think there is beauty in everything, what normal people
perceive as ugly, I can usually see something of beauty in it."

FASHION'S NEW MOOD

"There's more to beauty in everything, since normal people
prefer to go, I can't do anything ordinary in it."

FEMININE BEAUTY

"What you wear is how you present yourself to the world.
Choose to radiate when you are surrounded by others. Radiate
in beauty, elegance."

CLASSIC MOOD

Faded and weathered, it's like a love letter to the past, for the vintage
style that never goes out of fashion.

"I can be too needy, I can make fashion own you, but you decide what you are, what you want to express
is I love you & me and I'm here to live"

"I think there is beauty in everything. That's what people
are looking for. I can't really see something of beauty in it."

QUALITY AFFAIR

"What you wear is how you present yourself to the world,
especially for us, when it comes to fashion, it's all about quality. Nothing
is more beautiful."
