VOL - 16

*"Fashion is the armor to survive the reality of everyday life."*

## Graceful IN APPEARANCE

*"Fashion you can buy, but style you possess. The key  
to style is knowing who you are, which makes you.  
There's no limit to good style. It's about self  
expression, not, where you, stand."*

*Delightful*  
DREAM

*"Style is the only thing you must buy. It's not in a shopping bag, a label, or a price tag. It's something is  
passed from our soul to the outside world - our creation."*

*I think there is beauty in everything.  
What 'normal' people perceive as ugly, I can usually see something of beauty in*

*"Fashion is the means to achieve the reality of everyday life."*
