## *A Glare in the Flare*

*brighten up your already bright look  
with the blazing flare*

With a flare in the flare, you'll get a flare. With a flare in the flare, you'll get a flare. With a flare in the flare, you'll get a flare. With a flare in the flare, you'll get a flare.

*spread the class wherever you go...*  
***Classy and fabulous***

Fashion you can buy, but style you possess.  
This way to style is knowing what you are,  
what you like to wear. The class is how you read  
your style, how you self-express in a  
world of all that.

*When purity meet attraction*  
**Traditional Touch**

"You can never take the mundanous out of the world of  
of your dress. For many women think that they  
are common but the real proof of an elegant  
woman is what is on her feet."
