"Fashion you can buy, but style
you possess. The key to style
is knowing who you are, which
takes years."

"There's no how-to road map to

"It's about self-expression and,
above all,
attitude."

"The most important thing to remember is that you can wear all the greatest clothes and all the greatest shoes, but you've got to have a good spirit on the inside.

"That's what's really going to make you look like you're ready to rock the world."

Style is a way to say who you are without having to speak.

"I think there is beauty in everything. What 'normal' people perceive as ugly, I can usually see something of beauty in it."

Style is a way to say who you are without having to speak.

"I have always believed that fashion was not only
to make women more beautiful but also to empower them, give them confidence."
