A Picture of Perfection
Every photographer across the world is unanimous. That's
why we can only capture a fraction of her beauty.

Pitter & Patter

"Why should I regularly be disturbed in completing an important sheet of input?" "When you constantly receive emails and phone calls from your boss or your manager, it's hard to concentrate, it's hard to work."

According to Facebook users who are used to go to Twitter for news, old fashioned is still something that makes them feel good.
