Saroj

The saree is the soul of the Indian woman. It is a symbol of grace and elegance. It is a part of our heritage and we should cherish it. It is a part of our identity and we should be proud of it. It is a part of our culture and we should preserve it. It is a part of our life and we should love it. It is a part of our soul and we should protect it. It is a part of our heart and we should nurture it. It is a part of our mind and we should enlighten it. It is a part of our spirit and we should uplift it. It is a part of our body and we should adorn it. It is a part of our face and we should beautify it. It is a part of our hair and we should style it. It is a part of our hands and we should decorate it. It is a part of our feet and we should pamper it. It is a part of our soul and we should cherish it.
